MARVIN MORAN,

Case No. 3:21-cv-00050-MMD-WGC

Petitioner,

## ORDER

LOVELOCK CORRECTIONAL CENTER  
WARDEN, *et al.*,

## Respondents.

## I. SUMMARY

This habeas matter is before the Court on Petitioner Marvin Moran's Motion to Extend Stay. ("Motion" (ECF No. 25).) Respondents filed a non-opposition to Moran's Motion. (ECF No. 26.) Also before the Court is Moran's Motion in Support of Petition for Writ of Certiorari (ECF No. 28) and Respondents' Motion to Strike (ECF No. 29).

## II. BACKGROUND

On October 20, 2021, the Court granted Moran’s motion for stay and abeyance pending exhaustion of his unexhausted claims in state court. (ECF No. 16.) He requested an extension of the stay to seek certiorari review. The Court granted his request for an extension of the stay and instructed Moran to file a motion to reopen within 45 days of an order denying his petition for writ of certiorari. (ECF No. 24.) The Court further instructed Moran that after filing a motion to reopen, if he intends to amend his federal petition, he must file a motion for leave to amend along with the proposed verified amended petition or a motion for extension of time to move for leave. (*Id.*)

### III. DISCUSSION

**a. Motion to Extend Stay**

Moran requests another extension of the stay because he was unable to file his

1 petition seeking certiorari review. The Court finds that the request is made in good faith  
2 and not solely for the purpose of delay, and therefore, good cause exists to grant the  
3 motion. The grant of the extension of the stay is conditioned upon Moran filing, if same is  
4 not already pending, a petition for writ of certiorari seeking review of the Nevada Court of  
5 Appeals' decision within forty-five days of entry of this order<sup>1</sup> and returning to federal court  
6 with a motion to reopen within 45 days of an order denying his petition for writ of certiorari.  
7 If the petition for writ of certiorari is granted, Moran must file a status report in this action  
8 within 30 days of an order granting such relief.

9 **b. Motion in Support of Petition for Writ of Certiorari and Motion to Strike**

10 Moran submits what appears to be his petition for writ of certiorari to the United  
11 States Supreme Court. It appears that Moran filed his petition for writ of certiorari with this  
12 Court in error. Moran remains responsible at all times for calculating the deadline to file a  
13 petition for writ of certiorari as well as all procedural requirements for filing a petition for  
14 writ of certiorari with the United States Supreme Court. The Court denies his motion in  
15 support of petition for writ of certiorari as it does not appear to be requesting any relief  
16 from this Court and is likely filed with this Court in error. To the extent Moran would like to  
17 reopen these federal habeas proceedings or to file a motion to amend, he must file a  
18 motion to reopen and a motion to amend his federal petition along with the proposed  
19 verified amended petition.

20 Respondents move to strike Moran's motion in support of petition for writ of  
21 certiorari as a fugitive pleading. Although it appears Moran filed his motion with this Court  
22 in error, the Court declines to strike his motion. Accordingly, the Court denies  
23 Respondents' motion to strike.

24 **IV. CONCLUSION**

25 It is therefore ordered that Petitioner's Marvin Moran's Motion to Extend Stay (ECF

1 No. 25) is granted.

2 It is further ordered that the grant of a stay is conditioned upon Moran filing, if same  
3 is not already pending, a petition for writ of certiorari seeking review of the Nevada Court  
4 of Appeals' decision within forty-five days of entry of this order and returning to federal  
5 court with a motion to reopen within 45 days of an order denying his petition for writ of  
6 certiorari. If the petition for writ of certiorari is granted, Moran must file a status report in  
7 this action within 30 days of an order granting such relief.

8 It is further ordered that, with any motion to reopen filed following completion of all  
9 state court and/or appellate proceedings pursued, Moran: (a) must attach supplemental  
10 exhibits containing the new state court pleadings and the state court written decisions  
11 thereon; and (b) if Moran intends to amend the federal petition, must file a motion for leave  
12 to amend along with the proposed verified amended petition or a motion for extension of  
13 time to move for leave.

14 It is further ordered that the Court will reset the briefing schedule upon reopening  
15 the case and lifting the stay. No claims are dismissed by this order, and a reopened action  
16 will proceed under the same docket number.

17 It is further ordered that Petitioner's Marvin Moran's Motion in Support of Petition  
18 for Writ of Certiorari (ECF No. 28) is denied.

19 It is further ordered that Respondents' Motion to Strike (ECF No. 29) is denied.
